

# Virtual Internship in Russia

**6 – 8 Week  
Virtual Internship**

**June 2022 –  
August 2022**

**US\$ 300**

Virtual internships are a convenient way of gaining practical, first-hand experience, developing your 'soft' skills such as professional attitude, teamwork, problem solving, and intercultural fluency, and getting a better understanding of how and where you want to build your future career. Learn to apply classroom theory in workplace settings and enhance your employability by doing a summer virtual internship in a company operating in Russia.

## What to expect from your virtual internship? 🖥️

- Welcome orientation
- Weekly virtual meeting with your team
- Task-based assignments
- Close mentorship by your supervisor
- Flexible working schedule
- 3 ECTS credits
- Letter of reference from the employer

## Requirements ⚡

Students need to have an adequate level of both spoken and written English as the Virtual Internship will be conducted in English.

## Job Natures 🧳

Business Consulting	FinTech	Research	Marketing
E-commerce	IT & Engineering	Accounting & Finance	Design
Education	Fashion Design & Marketing	Sports Marketing	Logistics

## Application Procedures 📄

- ✓ Contact the International Office at your university to get the Application Form for the program;
- ✓ Fill in the Application Form and send it alongside with your CV in English to the coordinator at your university's International Office.
